

Canopy Walk Attendant

Responsible for monitoring and controlling the number of participants on the canopy walk to maintain safe operating conditions.

Community Building Greeter

Welcome visitors and provide friendly, helpful assistance. Serve as an information point for the event, helping visitors locate activities, events, rooms, restrooms, concessions, and other amenities.

Concessions @ Santa's Village

Assist park staff with serving sodas, hot chocolate, cookies, etc. at the Splash Pad/Santa's Village. Help clean the concessions area at the end of the night.

Holiday Display Attendant

Help monitor the holiday light displays and decorations located in the front area of the park. Help protect displays, report damaged, displaced, or non-functioning displays to park staff. Provide event information and directions to amenities.

Gate/Ticket Sales

Assist with selling tickets at the front gate, accepting cash and credit/debit card payments, providing accurate change, and help ensure an efficient and welcoming admission process.

Inflatable/Bouncy House Attendant

Help ensure the safe and orderly use of inflatables/bouncy houses; control the number of participants, enforce rules, and reports safety concerns or equipment problems to park staff.

Parking Attendant @ Front of Park

Assist with directing vehicles to designated parking areas and help maintain an organized and safe flow of traffic. Provide directions to visitors and assist with pedestrian safety in busy parking areas.

Parking Attendant @ Santa's Village

Assist with directing vehicles to designated parking areas and help maintain an organized and safe flow of traffic. Provide directions to visitors and assist with pedestrian safety in busy parking areas.

Santa's Helper

Assist Santa by managing the Santa photo line, keeping candy canes stocked, assist with visitor flow, taking pictures (when needed), and organizing break times for Santa.

Traffic Control along Route

Assist with maintaining a safe and orderly flow of vehicles along the holiday light display driving route. Helping to direct traffic, provide basic information to guests, monitor traffic conditions, and report safety concerns or issues to park staff.

Craft Station

Guides and assists visitors (particularly children and families) in making a holiday craft; helps keep supplies stocked and activity area organized.
